When You Just Can't Wait - Convenient Care/Walk-In Services

Cuando no puede esperar – convenientes servicios y atención sin cita

If you are experiencing an illness or minor injury that needs prompt care after-hours, we now have a walk-in clinic with expanded hours at our Hancock and William Cannon locations. During office hours, we ask that you first call your primary care provider to see if he or she can see you that day. If not, your provider will refer you to one of these two locations.

Some of the things we treat include:

Cough, cold or sore throat
Fever of flu symptoms, vomiting
Ear infection
Cuts, bumps and sprains
Twisted or sprained ankle
General wound care
Minor skin rash
Mild asthma
Basic laboratory testing
Minor procedures
Urinary tract infections
If you aren't sure, call us.

Si está enfermo o tiene alguna lesión menor y necesita atención con prontitud después del horario regular, los centros de salud de Hancock y William Cannon ahora tienen un horario extendido sin la necesidad de pedir una cita. Durante las horas de consulta, le pedimos que primero llame a su proveedor de atención primaria para ver si lo puede atender ese día. Si no puede, su proveedor lo remitirá a uno de estos dos centros.

Algunas cosas que atendemos son:

Tos, resfrío o dolor de garganta
Fiebre, síntomas de gripe, vómito
Infección de oídos
Cortes, chichones y esguinces
Torcedura o esguince de tobillos
Curación general de heridas
Salpullido de la piel
Asma leve
Análisis de laboratorios básicos
Procedimientos menores
Infecciones en las vías urinarias
Si usted no está seguro, llámenos.
