

Self-Employment Statement

Date: _____

Name of person with self-employment income:

Instructions

- Use the table on the back of this form to write down your income and allowed expenses from the last 30 days.
- Attach receipts and invoices or other documents to verify your self-employment income and allowable expenses.
- Complete one form for each member of your family who is self-employed.

Allowable expenses (a few examples, not all inclusive)

- Labor
- Fuel for equipment (lawn mowers, chain saws)
- Machinery and equipment repairs
- Office rent or lease and utilities (business use only)
- Supplies, such as paint brushes, shovels, hammers, food, etc. (business purposes only)
- Vehicle expenses (repairs, insurance, and fuel are prorated on the percent of the time that the vehicle is used for business-related activities)

You must complete the form on the back. →
