# WHAT IS MY CHART

CommUnityCare is proud to introduce a new medical record system that will bring many new benefits to you, the patient.

Part of this system is an application called MyChart. This is an easy-to-use secure application that gives you access to your health information. With MyChart, you can view your medications, test results, health summary and immunizations, as well as access other services such as requesting prescription renewals and communicating with your care team.

## BENEFITS

### Quickly schedule appointments or get medication refills

Make appointments quick and easy, without having to call us and wait on the phone, and you get your medications refilled online!

### Connect with a doctor no matter where you are

Send a message, get online diagnosis and treatment, talk face-to-face over video, or arrange to follow up with a doctor in person, depending on the level of care you need.

### Pay your medical bills online.

View billing statements and make online payments for your medical bills or visit copays through your bank account or credit card.
