Si está enfermo o tiene alguna lesión menor y necesita atención con prontitud después del horario regular, usted puede llamar a su clínica directamente para conectarse con nuestra línea de atención después de horas, o también puede ir a una de nuestras clínicas que no requieren cita previa en Hancock o Southeast Health and Wellness Center. Durante las horas de consulta, le pedimos que primero llame a su proveedor de atención primaria para ver si lo puede atender ese día. Si no puede, su proveedor lo remitirá a uno de estos dos centros. Para emergencias llame al 911.
